MINISTRY OF COMMERCE

NOTIFICATIONS

New Delhi, the 22nd December 1966

S.O. 3954.—Whereas the Central Government is of opinion that in exercise of the powers conferred by section 6 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), stainless steel utensils should be subject to inspection prior to export;

And whereas the Central Government has formulated the proposals specified below for the said purpose and has forwarded the same to the Export Inspection Council as required by sub-rule (2) of rule 11 of the Export (Quality Control and Inspection) Rules, 1964;

Now, therefore, in pursuance of the said sub-rule, the Central Government publishes the said proposals for the information of the public likely to be affected thereby.

2. Notice is hereby given that any person desiring to forward any objection or suggestion with respect to the said proposals, may forward the same within thirty days of the date of publication of this notification to the Export Inspection Council, "World Trade Centre", 14/1-B, Ezra Street (7th floor), Calcutta-1.

Proposals

(1) To notify that the stainless steel utensils shall be subject to quality control and inspection prior to export;

(2) To specify the type of inspection in accordance with the draft Export of Stainless Steel Utensils (Inspection) Rules, 1967, set out in Annexure I to this

notification as the type of inspection which will be applied to such stainless steel utensils;

(3) To recognise—

- (a) the specifications, which shall be a national standard of a foreign country, declared by the exporter as the agreed specification of the export contract for the stainless steel utensils,
- (b) in the absence of any specifications as mentioned in (a) above, the specifications as set out in Annexure II to this notification as the standard specification for stainless steel utensils, and
- (c) the Indian Standard IS: 3258—1965 for stainless steel serving utensils issued by the Indian Standards Institution, as the standard specification for stainless steel serving utensils;

(4) To prohibit the export, in the course of international trade, of stainless steel utensils unless the consignment of such stainless steel utensils is accompanied by a certificate issued by one of the agencies proposed to be recognised, by the Central Government under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), and set out in Annexure III, to the effect that the same conform to the specifications stipulated in the export contract, or it has affixed or applied to it a mark recognised by the Central Government under section 8 of the said Act, indicating that it conforms to the standard specifications applicable to it.

3. Nothing in this notification shall apply to the export by land, sea or air of samples of stainless steel utensils to prospective buyers, provided the F.O.B. value of the consignment does not exceed rupees one hundred and twenty five.

4. In this notification "stainless steel utensils" shall mean any kind of utensil or vessel for domestic or other allied use made from stainless steel.

ANNEXURE I

Draft rules proposed to be made under section 17 of the Export (Quality Control and Inspection) Act, 1963.

1. **Short title and commencement.**—(1) These rules may be called the Export of Stainless Steel Utensils (Inspection) Rules, 1967.

(2) They shall come into force on the 1st March, 1967.

2. **Definition.**—In these rules "stainless steel utensils" shall mean any kind of utensil or vessel for domestic or other allied use made from stainless steel.

3. **Basis of Inspection.**—(1) Inspection of stainless steel utensils intended for export shall be carried out with a view to seeing that the stainless steel utensils conform to the specifications recognised by the Central Government under section 6 of the Export (Quality Control and Inspection) Act, 1963 (hereinafter referred to as the recognised specifications) or, as the case may be any other additional requirements stipulated by the buyer in the export contract.

(2) No further inspection would, however, be necessary under these rules in the case of such stainless steel utensils as bear the Indian Standard Institution Certification Mark.

4. **Procedure for Inspection.**—(1) An exporter intending to export stainless steel utensils shall give intimation in writing of his intention so to do and submit along with such intimation a declaration of the specifications stipulated in the export contract to any of the inspection agencies thereafter referred to as the Agency), proposed to be recognised under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963) to enable it to carry out the inspection in accordance with rule 3.

(2) Every intimation and declaration under sub-rule (1) shall reach the office of the Agency not less than ten days before the scheduled time of loading of the consignment of stainless steel utensils for shipment.

(3) On receipt of the intimation and declaration under sub-rule (2), the Agency shall carry out the inspection of the stainless steel utensils during the process of manufacture or when the consignment is ready, as the case may be, in accordance with rule 3.

(4) If after inspection, the Agency is satisfied that the stainless steel utensils to be exported comply with the requirements of rule 3, it shall, within seven days of the receipt of intimation and declaration under sub-rule (2), but not later than 72 hours after completion of the inspection, issue a certificate to the exporter declaring the consignment as export-worthy.

5. **Procedure for affixation of recognised mark.**—The provisions of the Indian Standards Institution (Certification Marks) Act, 1952 (36 of 1952), the Indian Standards Institution (Certification Marks) Rules, 1955, the Indian Standards Institution (Certification Marks) Regulations, 1955 and the procedure laid down by the Indian Standards Institution in this behalf shall, so far as may be, apply to the inspection of stainless steel utensils prior to export.

6. **Place of Inspection.**—Every inspection under these rules shall be carried out either—

(a) at the premises of the manufacturer, or

(b) at the premises at which the goods are offered by the exporter, provided adequate facilities for the purpose exist therein.

7. **Inspection fee.**—Subject to a minimum of Rs. 50/-, a fee at the rate of twenty paise for every one hundred rupees of the F.O.B. value of each such consignment shall be paid as inspection fee for inspection of stainless steel utensils under rule 4 of these rules.

8. **Appeal.**—(1) Any person aggrieved by the refusal of the Agency to issue a certificate under sub-rule (4) of rule 4 may, within ten days of receipt of communication of such refusal by him, prefer an appeal to a panel of experts consisting of not less than three persons appointed for the purpose by the Central Government.
